37th Winter Carnival Calendar Set

FEARSONE — Darris McCord, giant defensive end is one of the Detroit Lions "Fearson Four", the front line on defense for the National Football League team. He will be in a basketball uniform at the Grayling High gym on Friday night, February 9th to play against the Grayling Moose All Stars in the opening event of Grayling's 37th Annual Winter Sports Carnival.

Lose To Pellston, 61-50; Boyne Here Friday

Vikings Drop To Second Place Tie In Conference Cage Race

The Boyne City Ramblers, who are currently in a second place tie with the Grayling Vikings, will invade the Grayling High gym Friday night for a game that could determine this year's Northern Class C Conference champion.

The loser of Friday night's game would just about be out of the running for the crown but the winner would still have an outside hope of getting back into the thick of the battle. The Vikings were defeated by Pellston 61-50 in a game that could determine this year's Northern Class C Conference champion.

Hope For Cancer Cure Through Early Detection

Somewhere in Roscommon and Crawford Counties today there are women who have cervical cancer, in a stage so early that it has not yet produced any symptoms. Now, hope for a cure is offered to women through early detection. A simple test, called the Papanicolaou test, can detect cancer of the cervix so early that it is nearly 100 per cent curable.

Cervical cancer, cancer of the neck of the uterus, is most commonly found in women over forty years of age, although about thirty per cent of the cases are found in women under forty.

On January 15, 1962, the Crawford and Roscommon County cervical cancer screening program started, and will continue until February 28th. During this time, all women in the counties over the age of 25 will be able to have the Papanicolaou test, simply by calling her own physician for an appointment.

FREE ADVICE FOR VETERANS

Arthur M. Brokenshire, Jr., Field Service for the Marine Corps League will be in Grayling on the 2nd and 4th Wednesdays of every month at the County Court House from 10 a. m. to 4 p. m. He will advise men and women formerly in the service and/or their dependents to any benefits to which they may be entitled. There is no charge for this service.

Mr. and Mrs. Ivan Davis and family of Harbor Springs come on Friday night to visit her parents, the Earl Ichniars, over the weekend.

Eagles Hit Victory Trail

The Frederic Eagles varsity, reserves, Junior high and girls teams all came up with victories last week over Bellaire. The varsity defeated Bellaire at Frederic Friday night by a 57 to 41 score.

The Eagles took a 21 to 11 first period lead and were ahead 34 to 19 at intermission time. In the final quarter, the visitors outscored Frederic 13 to 11. Redman with 20 points paced the Eagle attack. Armstrong added 12, Harmer 9, Wilson and Ed Weaver 6 each, Alma and John Bess 2 each. The Eagles scored on 23 out of 47 field goal chances and their defensive play was much improved. In fact, coach Murel Flisk said it was their best defensive game of the year.

The reserves took the opening game Friday night in a thriller, 56 to 55. Terry Latt with 14 was high for Frederic with Cox with 12, Charles Bearss with 11 and Lodge with 10 all in the double figures. Bearss and Latt turned in outstanding floor games as well.

On Wednesday, the Frederic girls and junior high traveled to Bellaire and came home with pair of wins. The girls took their game 26 to 20. They were ahead by one point, 12 to 11 at the end of the first period and still only one at the end of the third frame, 18 to 17. In the final period they outscored the Bellaire lasses by an 8 to 3 margin. Gwen Lozon had 10 points, Mary Lodge 8 and Gladys Welch 13.

This week the girls and junior high team entertain teams from Central Lake on Wednesday and on Friday, the varsity and reserves travel to Central Lake for a pair of games.

Local Boys Ski At C.U.S.S.A. Meets

A group of up and coming boys from Grayling, who just two weeks ago joined the Central United States Ski Association, have been more than holding their own at these highly competitive meets.

On January 14th and 15th at a meet held at Mt. Manicoula they showed their latest state-wide competition and placed rather low in the final standings. But this past week at their second meet, held at Thunder Mountain, they made quite an impression on the visiting seasoned veteran skiers in their respective classes, but also the spectators, who number in the hundreds.

It should be explained that only the boys and girls enter these meets, and come up in the top ten consistently, are eligible to enter the Regional meets. From there they go to the Nationals, and then to the Olympic trials. Who knows, some of our very own could be representing the U. S. at the Olympics. The potential is here.

The boys in this group are doing this voluntarily, and at expenses, which consist of entry fee of three dollars each and one-half of the low charges at the respective park. The meet is being held at, are paid for by the sponsors.

These boys are traveling ambassadors of good-will in a sense, and everywhere they go, they take Grayling with them in their talks, actions and sportsman-like conduct. Take it from a few who know, they are doing a wonderful job.

Thanks to Mr. Jack Mason, who donates the use of his nine passenger Station Wagon to the boys for all these meets, to Mr. Harry Young who donated the entry fees, also to Mr. Robert Bove for permitting the boys to wear the very attractive Bright Green and White eye-catching racing jackets, which make the boys very outstanding on the slopes and occasionally draw a murmur from the crowd.

When we say the potential is here, let's all get behind them, and perhaps we can attain make Grayling the Winter Sports Playground of Michigan. At the very least, let's give them a morale boost.

Below are the boys in their respective classes and the final positions in the standings at the Thunder Mountain meet.

Class	1st	2nd	3rd	4th	5th
Class I	Giant Slalom 11th; Downhill 16th; Jack Welch, Slalom 15th; Giant Slalom 18th; Downhill 18th.	Class II	Mark Anderson, Slalom 9th; Giant Slalom 17th; Downhill 14th; Mike Young, Slalom 17th; Giant Slalom 18th; Downhill 17th.	Class III	Jack Mason, Jr., Slalom, Disc; Giant Slalom 20th; Downhill 14th.

Total entries: Class I, 30; Class II, 38; Class III, 28.

Student From Mexico Visits Spanish Class

Manuel Villalaz, an exchange student from Mexico City who has been spending the past six weeks in Kalkaska, visited the Spanish classes in the Grayling High School last Wednesday. The students enjoyed hearing him tell about the differences between schools in Mexico and here. A large share of each period was taken up with questions from the students which Manuel answered well and with a delightful sense of humor at times. It was a most interesting experience for the Spanish students.

Manuel has been the guest of the Carl Millers during his stay in Kalkaska, and has made many friends there. He returns to Mexico in a few days. He will be back in Grayling after the long vacation which they have in this winter rather than the summer months.

Derek McEvers Joins Funeral Home Staff

Derek McEvers is now associated with the Sorenson Funeral Home, having moved back to Grayling on Saturday.

Derek, son of Mr. and Mrs. Harry McEvers, graduated from Grayling High School in 1958 and from Wayne State University School of Mortuary Science in 1958. He was associated with the Kaufmann Funeral Home, Detroit, for six months following his graduation and again for a year following a year's service in the U. S. Army where he was stationed at Fort Lee, Virginia.

Welcome home Derek and Derek.

Call Issued To County G. O. P.

Republican party County Chairman Mrs. Minnie Hartley announces that a business meeting of all party members and friends will be held Wednesday, February 1st, at the Courthouse in Grayling. The meeting will start at 8 p. m. Ladies of the Republican Women's Club are asked to attend this meeting also. Plans will be made for the coming Republican dinner, for which out-of-town speakers will be present, and it is urgent that there be a good turnout for this.

Employees of Skyline Ski Club are pictured above loading and unloading the newly installed chair lift for a rugged test before opening the facility to the public.

Area Education Boards To Meet February 7th

According to President Max G. Kelsey of Roscommon, Michigan the Northern Michigan Association of County Boards of Education will hold their winter workshop meeting at the Higgins Lake Resort, Michigan, on February 7th.

The meeting will be held at the Higgins Lake Resort, Michigan, on February 7th. The meeting will be held at the Higgins Lake Resort, Michigan, on February 7th. The meeting will be held at the Higgins Lake Resort, Michigan, on February 7th.

SERVICES HELD FOR MRS. CHARLES MOORE

Services were held Friday afternoon, January 26th from the Sorenson Funeral Home for Mrs. Charles E. Moore, known to her friends as Annette. The Rev. Colin Campbell read the final rites at two o'clock. Mrs. June Fehlehauser presided at the organ. Serving as casket bearers were Dr. J. F. Cook, William Joseph, Harold Cliff, Robert Strong, Earl Woods and Ernest Hoell. Interment was in the Oakwood Mausoleum at Saginaw.

Annette was born in a suburb of Pittsburgh, Pennsylvania, to Mr. and Mrs. C. H. Davis on April 12, 1884. Her parents had come to the United States from Lithuania and became citizens. She attended school in Lithuania for about two years, living with her grandparents during that time. Returning to this country she lived in Pittsburgh, Flint and Detroit. Five years ago she had operated the Grayling Gift Shop.

Mrs. Moore died very suddenly at her home at Lake Margrethe on Tuesday, January 23rd. Death was attributed to a coronary occlusion. Surviving besides her husband and daughter are four grandchildren John H. II, James C., Mary E. and Daniel P. Alef of Grayling and a number of nieces and nephews living in the Pittsburgh area.

Among those from out of town here to attend the services were Mr. Moore's sister, Mrs. Daisy Fieve, and her daughter Mrs. Larry Hazen of Port Huron, the latter's son and wife Mr. and Mrs. Bruce Hazen of Kalamazoo, Attorney Melvin Freeland of Gaylord, Judge J. J. Rutledge of Roscommon and Mr. and Mrs. M. J. Alci of Grand Rapids.

Among the callers at the funeral home were Judge Dennis O'Keefe of St. Joseph, Michigan, and Judge J. J. Rutledge of Roscommon and other towns in the area. The family of Mrs. Moore has the sincere sympathy of their many friends.

Kalamazoo Firm Cleans Grayling Sewers

By HAROLD S. CLIFF City Manager

The General Pipe Cleaning Company of Kalamazoo, Michigan has been contracted by the City of Grayling to clean a portion of the sanitary sewers in the city. This Company is known state wide and have an excellent reputation for this type of work.

Cleaning sanitary sewers of roots, sludge and sand is a highly specialized trade requiring special tools, equipment and a great deal of know-how by the men themselves. In making a survey of the city's needs for this type of service, certain portions of the sewer system were picked, these sections were the areas that have been giving the most trouble.

The cost of cleaning these sewers as per the contract given the city is 35c per lineal foot. All the City is required to do is to locate and clear the manholes, remove the roots and sludge and furnish water for flushing. At this time the contract called for 5900 feet.

The main problem with our sewers today is tree roots. These roots creep into the sewers through the pipe joints, and in the winter time grow until they completely fill the sewer. It is impossible to stop this condition especially in the older sewer mains, which by cutting these roots and thoroughly removing them will keep the sewer trouble free for several years.

However in time they will grow again and the process will have to be repeated. The City's sewers can be cleaned by this process, however, only the lines that are connected by manholes, that is a manhole has to be located at either end of the sewer line to work their cables through. The process of cleaning is known as bucketing. These buckets are six inches or eight inches in diameter and the size of the sewer to be cleaned. These buckets have a sharp tooth edge and as they are drawn through the sewer they cut the roots, loosen sludge and sand, then the sewers are brushed with a tool that is equipped with wire brushes, then flushed with water from fire hydrants. A real cleaning job and one that is well worth the cost. The people of the town who have repeatedly had trouble with their sewers backing up can well appreciate this service.

People driving in the areas where these men are working please give them all the consideration possible.

Richard Rochette Gets Meritorious Promotion

Marine Private First Class Richard E. Rochette, son of Mr. and Mrs. Emile A. Rochette, formerly of 7400 Karen Woods, Grayling, was recently promoted to his present rank during ceremonies held at the time of his graduation from the Marine Corps Recruit Training Depot, San Diego, California. Mr. Rochette has chosen to go to Sea School, and serve aboard the ships of the line, as a member of the internal security detachment of those ships. All Naval Ships of the line come under the security of the Marine Detachment aboard. Only those men who show exceptional ability are chosen for this type of duty, and they must volunteer for this assignment. Sgt. DuCharme, local Marine Corps Recruiter, indicated that of the five men whom he has enlisted, four of them have received the promotion at Boot Camp.

Awarded Scout Life Saving Certificate

Michael Nelson, son of Mrs. Marjorie Nelson, was awarded a Paul Burton lifesaving certificate issued by Mr. Art Henry, District Council officer, and presented by Mr. Howard Day at the Cub Pack meeting Friday at the Michelson Memorial Church. The certificate was awarded to Michael for saving Glenn Wert from drowning last spring, near the old mill site west of U.S. 27. Glenn was caught in the mud and had gone under once. The boys are both in Den 8. Mrs. Harold Bykema, den mother.

The month's theme, Knights of Yore, gave the boys a chance to show the costumes they designed and made, consisting of helmets, jerkins, shields, swords and spears. The program consisted of marching to "Pomp and Circumstance," participating in Knights of Yore contests, such as ball-and-chain, duet, roster fight, and staff wrestling.

Mr. Norman Johnson, Assistant Packmaster, presided at the meeting. Forty-three boys were in attendance. There is still lacking a parent-perchid turnout. A special lunch treat of Swedish pancakes was prepared through the courtesy of Glen's mother and the Howard Day.

Name Banquet Speaker and MC As Well As Crowner of the Queen

To Crown Queen

A three day calendar chockful of events has been set for the 37th Annual Grayling Winter Sports Carnival which will be held weekend after next on February 9th, 10th and 11th. It has been announced that included in the list of the many, many events are special sales on Friday and Saturday by the Grayling merchants, a big time basketball game on Friday night followed by a ski dance sponsored by the

Grayling High ski teams, a Lumbarjack breakfast at St. Mary's Hall sponsored by the St. Mary's Mens Club, Queens Registration and Rehearsal, luncheon for the Queens, rides on snow planers on back trails, downhill ski races at the park, trick tobogganing, Queens Banquet and Ball, presentation of Miss Michigan Winter Sports of 1962, free rides on horse-drawn bobsleds about the city sponsored by the Grayling Moose Lodge, Sunday morning breakfast for the Queens, Slalom ski races at the park, parade thru downtown to the park sponsored by the Grayling Parent-Teachers Association, Crowning of the new Queen on the ice throne at the park followed by trick skiing and tobogganing.

State Senator Frank D. Beadle, Senate Majority leader from St. Clair will be the main speaker at the Queens Banquet and will present the newly selected Miss Michigan Winter Sports at the Ball following. Vice President Woodward C. Smith of Central Michigan University, Mount Pleasant will act as master of ceremonies for the Banquet.

Newly appointed State Attorney General Frank J. Kelley, formerly of Alpena, will officiate at the coronation of the 1962 Miss Michigan Winter Sports at the Grayling Winter Sports Park on Sunday. It has been announced that as of Monday of this week, there were five Winter Queens entered in the Miss Michigan Winter Sports competition besides host Queen Nancy 1959. The coronation of 1962. Other Queens entered are: Miss Judy Gerrie, Miss Boyne City; Miss Carole VanValin, Miss Roscommon; Miss Barbara Lisk, Miss Bay City; Miss Wanda L. Roberts, representing the Board of Supervisors; Mayor Walter B. McWilliams and City Manager Harold Cliff representing the City; Robert Aschenbrenner representing the retailers; Arnold Mauren, chairman of the steering committee; Dr. J. F. Cook representing the industrial corporation and Wesley Kumpula, chairman and Mrs. Thomas Welch and Prospector Attorney Ward Ellison representing the County Library Board. Robert Hayes, secretary-manager of the Chamber acted as secretary at the session.

Mr. Schulte, opening the meeting stated that he felt one of the troubles facing the various groups represented was the lack of communication between them. It was needed in order that each one's program could dovetail with the others.

Coming under discussion was the site of the new County Jail, the new County Library, the new County Building in the future. The discussion continued on the municipal held land in and near the city as well as county land held including the County Infirmary on M-72 east.

There seemed to be some sentiment that a city planning commission was needed to get the best possible use from the land and that such a group could and should seek outside expert advice. The downtown area and which would commercial growth would occur as well as parking areas, would need the surveillance of those attending.

Although no definite answers were arrived at it was felt that the discussion was fruitful and that a solution would be called for in the near future, when some possible concrete action might be taken in planning for the future of Grayling and Crawford County and its expected growth in the next couple of decades.

Sherm Neal Nominated For West Point Test

A Crawford County young man has been nominated by Congressman Elford A. Cederberg of the 10th Congressional District to compete in the Michelson Memorial Church. The nomination was for admission to U. S. Service Schools.

He is Sherman C. Neal, 605 Ogden Street, Grayling, a Grayling High School senior, nominated for the Military Academy.

Congressman Cederberg said final selection is on a strictly competitive basis and the young man in each group, determined by academic ability, has the highest mark in the examination, will receive the appointment. This year the 10th District has two vacancies at the Military Academy at West Point for which four District youths will compete for each vacancy, one vacancy at the Naval Academy at Annapolis for which six youths will compete, one vacancy at the Air Force Academy at Colorado Springs for which 11 competitors have been named and four boys are nominated for the Merchant Marine Academy at Kings Points, N. Y., to compete on a state-wide basis to fill Michigan's quota.

Cancer Detection Program

1. DATES: From January 15 through February 28th.

2. THOSE ELIGIBLE: All women 25 years of age and older in Crawford and Roscommon Counties.

3. MAKE YOUR OWN appointment with the doctor of your choice.

4. THE CHARGE: The examination and test will cost \$5 during the program, a savings of from seven to ten dollars.

5. DOES IT HURT? No, the examination is painless.

6. DON'T FORGET TO pick up an "Information for the Patient" sheet at the doctor's office or at the drug store.

7. HELP VIFE OUT! Get a cervical cancer photo year appointment today.

FREDERIC PTA TO MEET

The regular meeting of the Frederic PTA will be held Monday, February 5th, at 7:30 p. m. at the Frederic School. The cancer film, "Time and Two Women" will be shown as the program. The luncheon will be served by the Frederic Women's Club.

Bowling Dope

SCOTCH DOUBLES TOURNAMENT TO BE HELD ON FEB. 11th

The way entries for our Scotch Doubles are coming in it will be necessary to put a dead line on them, therefore, February 8th is absolutely the final date for entries. This is due to the fact that there is quite a bit of work to be done between final entries and the play off. In order to get this taken care of before match, a dead line is necessary.

There will not be over four teams to an alley, and bowling will be on the same alleys should make it possible to move right along. If you have not registered as yet, please do so with Larry. You can pay the entry fee at that time. Prizes will be paid at the rate of one to ten entries.

REMEMBER NO ENTRIES ACCEPTED AFTER FEB. 8th.

REPORT from LANSING ON LEGISLATIVE ACTIVITIES AND STATE GOVERNMENT

By State Representative
Ross O. Stevens
PRESQUE ISLE DISTRICT

Once again, legislative wheels are churning into high gear. Once again, we are facing some of the same old problems. The biggest howl is for MORE money. Seldom do you hear much about spending available money more efficiently. With my column, again, I will try to keep home folks informed.

All committees in the Legislature carried over from last year and this fact permitted greater speed in getting under way. Already one of my committees has become active. The Tourist Industry Committee, of which I am a member, and headed by Representative Walter Nakula of Gladwin, has held two hearings. The main interest right now is an effort to create safety in ski tow equipment. The problem is to insure public safety without undue expense and restriction. Probably several more hearings will be held before Bills are formulated.

It is important that the tourist industry is being more adequately recognized. Tourism is big business in all five counties of the Presque Isle District. In some of these counties, it is the most important activity. We have the country, the wholesome climate, and the friendly people that is inviting to visitors. As your State Representative, I want to do all I can to promote this industry along with other things in my counties and in the entire state.

It has been my pleasure to visit the Constitutional Convention on several occasions. One is impressed with the seriousness and capabilities of the delegates. It is very impressive to witness the convention in session.

Another interesting group which recently convened in Lansing is the Supervisors Association. Our session of January 23rd ended abruptly out of respect to

Bits O' Talk

It has been brought to our attention that the names of Mrs. Alex Atkinson, Mrs. Leonard Allison, Mrs. Eben File, Mrs. Sam Gust, Mrs. Walter LaMotte and Mrs. Arnold Kibbel, who furnished refreshments for the January P.T.A. meeting, were omitted from the news story.

Mr. and Mrs. Clyde Peterson, Mrs. Nellie MacNeven and Mrs. K. E. Kitchner stopped for a visit with Mr. and Mrs. Harry Reynolds in Midland enroute home from Flint Tuesday last week.

Tony Buron is among those suffering broken bones from winter sports activities. Tony acquired a broken toe when he failed to remove it from the path of a starting toboggan.

Mr. and Mrs. Derek McEvers have moved from Detroit to make their home in the old Christ Johnson home, on Chestnut St. His father, Harry McEvers, Russell Villed and Hank Feldhauser assisted them in making their belongings here on Saturday.

Miss Starlett Griffith arrived home Thursday from CMU, Mt. Pleasant, for the between-semester vacation which lasts for about ten days. Starlett's father, Al Baginski, is enjoying vacationing in Mexico with Forrest Vincent, of Bradenton, Fla. Mrs. Baginski and her father, Henry Noll, have long been here.

Mr. and Mrs. Robert Schulze returned home Friday after spending some time in Chicago.

Mr. and Mrs. A. J. Sorenson entertained a group of friends with a lobster dinner Saturday evening.

Dr. Jack Cook, Charles Moore, Jack Alef and Glenn Sawyer were in Saginaw on business Tuesday of last week.

Mrs. Sara Colten, Jr. and Janice, Mrs. Lee Charron and Kenny and Sherrie, and Mrs. Jim Colten, Jim and Phyllis, drove to Clare Thursday to visit Mrs. Colten's sister, Mrs. Walter Perkins. The previous day Mrs. Colten's mother and sister, Mrs. George Winn and Mrs. Perry Mecklinburg, of Clare, visited at the Colten home here. In a recent letter to the editor, Addison Browns wrote that they are having a wonderful time seeing the sights in California. They are spending the winter at Anaheim.

Leo Morency entered Mercy Hospital last week for minor surgery, and is home recuperating now.

Mrs. Jim Parkinson and children Danny and Margie of Roscommon spent last week with her mother, Mrs. Leo Morency, while Jim was in Owosso on business for the phone company.

Mr. and Mrs. V. H. Russell, and Mr. and Mrs. Glen Nolan attended an O.E.S. initiation at Boyne City Saturday evening.

The Tuesday Bridge Club met last week at the home of Mrs. Leonard Allison. High scorers were Mrs. Bill Joseph, second high, Mrs. Frank Bond, with consolation going to Mrs. Leonard Allison. Mr. Joseph Stripling will be the next hostess on February 3.

Crawford Co. Residents Well Insured

(Special to the Avalanche)

New York — According to the latest figures, Crawford County families have been increasing their life insurance holdings in the last few years.

Their coverage has climbed to an estimated \$9,527,000, "an all-time high."

One reason given for the rise is the fact that it has become easier than it once was to qualify for life insurance. Another is that incomes have been going up, making it possible for people to expand their protection in this direction.

Investing more money in security of this sort is but one of the local defensive measures that have been taken by local residents to safeguard their future. They have also been adding to their cash savings and to their investments. The developments are detailed, for the nation at large—and for each of the states, in the 1961 Life Insurance Fact Book.

They show that families in the United States have built up a huge financial bulwark for themselves in the form of life insurance. It amounts to more than \$88 billion, with some \$28 billion of it in force in the State of Michigan.

How much does it boil down to in terms of the individual family? In Michigan as a whole, the average household has an amount of insurance that is equal to its net earnings, after taxes, over a period of 18.0 months.

Applied to Crawford County, with its after-tax income per month of \$3,398 per household, as shown in the latest annual Sales Management report, the average family's ownership of life insurance is approximately \$74,000. It compares favorably with the amount in force in 1957, \$6,150 per family.

All told, for the entire local population, it comes to \$9,527,000.

Much of the increase in life insurance coverage is attributed to the report to the spectacular growth of group insurance, which now represents nearly a third of all life insurance. Since 1950, it has increased 50 per cent.

The spotlight is still held, however, by ordinary life insurance, which has 58 percent of the total.

RADKA REPORTS ON CON-CON

The past two weeks the Local Government Committee held meetings day and night, and the meetings spent in session resulted in some temporary decisions. I forewarn that past experience has indicated that committee reports are completely "chewed up" by the full convention and members of the sub-stantive committees often lead the attack on the majority report. You wonder whether anything was accomplished by the committee's proposal to present a specific proposal to the entire convention.

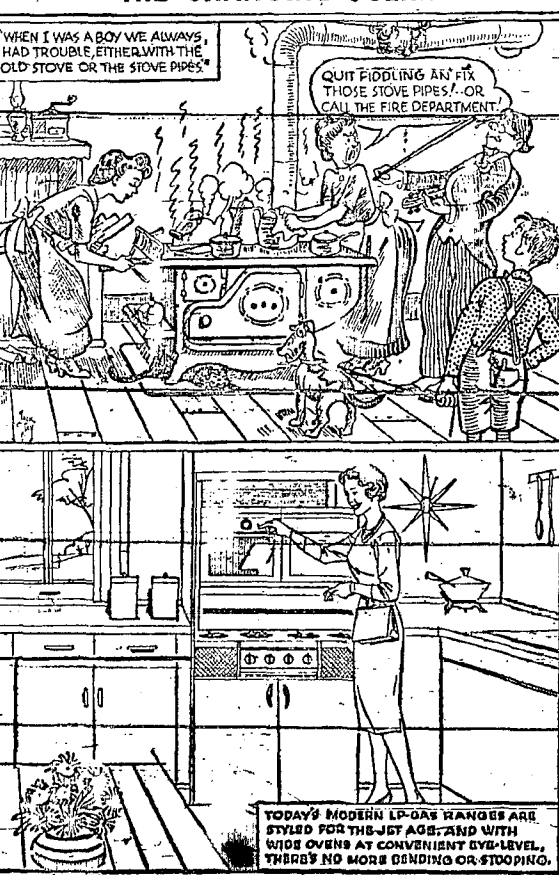

Some temporary decisions of the Local Government Committee are: Reamendment of township officers and retain the present township officers as constitutional officers, except the commissioner of highways and constables and the addition of township trustees. The decision of a township officer means only they are not frozen in the constitution and could be removed by the legislature. The Justice of the Peace question. The primary problem of the Judiciary Committee at this time. The term of township officers was agreed to be no less than two years but the committee had a tie vote on the four year term.

Provided for election of only one supervisor from each township but metropolitan townships will try to have this changed so that their representation on the board will be increased.

County officers were continued as constitutional officers with four year terms. The final agreement for length of terms of county and township officers will depend on what is ultimately agreed upon at the state level.

County home rule will be recommended but the form is questionable. The committee is about evenly divided on the home rule.

THE CHANGING SCENE

TODAY'S MODERN L.P.-GAS RANGES ARE STYLISH FOR THE JUST AGE AND WITH BUILT-IN OVEN AND CONVECTION BURNER, THERE'S NO MORE COOKING OR STANDING.

FUELGAS COMPANY, Inc.

1047 N. Acorn from Airport Phone DI 6-2411

article. One position is that the county form of government should be left flexible and the other position is that the general form of county government be spelled out rather specifically in the constitution. The committee will make a decision but with no unanimity. The ultimate decision will be made by the full convention.

There were no major changes at this time affecting cities and villages.

This week the plan is to keep general sessions very short so that all committees can get their final proposals before the whole convention. Next week there should be a large backlog of committee proposals for the full convention to consider and the convention will undoubtedly start regular morning sessions.

The Supervisors Association meeting in Lansing this week will provide many individuals interested in local government an opportunity to observe convention activities and I will welcome an opportunity to get their opinions. The "Reapportionment Committee" report by Herman Dehnke will be made next week since the committee met over the past week end and it is possible that a more positive report can then be given.

Home Extension News

The Happy Matrons met in January at the home of Mrs. Leo Lovely, on the 22nd. Mrs. Harry McEvers spoke on arrangements of flowers. This was followed by questions and comments on the different flowers which go well together in making flower arrangements.

Mrs. Oscar Goss was winner of the penny prize.

A delicious lunch was served by the hostess.

The February 26th meeting will be held at Mrs. Oscar Goss' home, with Mrs. Harry McEvers as the hostess.

Leave Patents Alone . . .

The U. S. Patent system has seemed about as impregnable an institution as one can imagine. There have been criticisms of certain of its provisions, and proposals for changes. But the principle of it has rarely been attacked—for the reason that it is evident that the invention and discovery of useful and wanted products must be suitably rewarded if people and institutions are to devote the time, the energy, the money and the knowledge that is needed, and are to accept the ever-present risks of failure.

But a new proposal would all but eliminate patent protection for an extremely important enterprise—the pharmaceutical industry. A drug patent would be limited to a mere three years, as against the present 17 years which applies to all patents. After that three-year interval, the law would require the discoverer and developer to license a drug's production to all comers, including competitors, with royalties set at certain maximums.

There has been much discussion, pro and con, of this revolutionary proposal. One of the most effective statements against it was presented to the Senate Subcommittee concerned by Dr. Vannevar Bush—a scientist, author, inventor and educator who had held high posts within and without the government. Dr. Bush now heads one of the leading pharmaceutical companies. However, he emphasizes that he did not join this concern "in order to make money; I attended to that aspect of my affairs adequately when I was young. I joined because I wanted to participate in the exciting venture of creating new drugs to cure men's ill. . . ."

Dr. Bush does not think the patent system perfect, and he has made suggestions for changes. He is convinced, however, "that the patent system is an essential part of our free enterprise system," and "that it has been responsible for a significant part of the great technical and industrial advance of this country. . . . He adds that when and if a revision of it is made, "it must be done on an overall basis, by a group that fully understands the system, and also understands modern research and development, and that any attempt to do it piecemeal would inevitably result in damage to the system and to our national progress."

So far as the drug industry is concerned, Dr. Bush is convinced that the proposed three-year law, if enacted, would end our world leadership in the development of new and useful drugs, would severely curtail drug research, and the result would be "a catastrophe." He cites, in considerable detail, some of the enormous steps forward that have been taken in drug development, and of the high hopes that are held for the work of the future. And he makes this point: " . . . when everybody and his brother can obtain a license, neither the patent holder nor any licensee can afford to spend the money necessary for years of clinical tests, for prosecuting the new drug application, and for familiarizing doctors

with the drug."

Dr. Bush goes on to say that in the pharmaceutical industry, only about one patent out of 10 ever comes into real use. And when a pharmaceutical company is conducting research on drugs, it is fortunate if one in six of its programs results in even one salable product. So: "The successful one has to pay for all the others that result in patents never used, and for the greater number of ventures that never even get to the patent stage. Royalties under licenses issued to all comers just will not do it, since none of the many licensees can hope to earn enough to afford to develop the market."

Near the end of his eloquent statement, Dr. Bush said this: " . . . no man will deny that we live in hazardous times, and that a great war might be started, perhaps by accident or irresponsibility. If it came it would be far more terrible than any war in history. This time, in addition to hydrogen bombs, with their burns and radiation, we might meet also a still more appalling weapon in the hands of men with no conscience, biological warfare. This is no time to weaken our medical system, or the pharmaceutical industry which supports it."

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

February 2, 1939

Before a crowd of nearly 1000 spectators Saturday evening the Golden Gloves tournament champions were decided, in the Grayling school gymnasium. The novice champions who won out here and went to Bay City Monday were Floyd Webster, Manelona, flyweight; Rex Harper, Bay City, bantamweight; Roy Heaton, Boyne City, featherweight; Glenn Tompkins, Boyne City, lightweight; Harold Carnahan, welterweight; Julius Gondzar, of Boyne City, middleweight; Robert Olson, Kalkaska, light-heavyweight; and Henry Meyers, Traverse City, heavyweight. The best fight of the evening was when Herbie "The Redheaded Terror" Wheeler and Junior "Blonde Bomber" papers fought a hard-fought punches in the ring. There were some terrific blows and hard punches by both fighters. The points for them were so even-up the bout was voted a tie, and the boys will fight it out another time to determine the winner.

The snowman building contest has been extended to include all boys whether he is a scout or not. This should be a lively contest with the additional trying out their skill. All snowmen must be made in the heart of the business district, assigned to a definite location will help them to get started.

Grayling High School's basketball team did heroic things last Friday night when they went up to Gaylord and hewed out a 23 to 17 victory in an interesting ball game. Although the Reserves lost 25 to 8, Grayling got better than an even break for the evening.

It is very evident that the public is interested in knowing the facts about the proposed plan to establish a municipal electric light and power plant. The Saturday night Gerard-Hershey filled Wednesday night when City Attorney Charles E. Moore gave a resume of the proposed plans. He said that for a couple of years complaints had been coming to the council requesting that something be done to correct the poor electric service that is being provided to the city. Nothing was done by the council except to report the complaints to the Michigan Public Service Co. Officials of the company on several occasions promised that all complaints would be looked after and faulty service remedied. "Promises is all we got," Mr. Moore said. Finally a petition asked the council to

look into the providing a municipal electric plant. Accordingly the council visited several municipal owned plants and after considerable investigation and discussion voted unanimously to prepare plans and present them to the voters of the city at a special election set for February 20th. Incidentally during the meeting the electric lights dimmed and flickered and several times went out completely. Don Sweeney, local manager for the company, said the trouble was on the high power lines north of the city. Another meeting will be held in the school auditorium next Tuesday night.

Going into the fourth week of the pinocle tournament, with still a larger crowd present than last week, the Legionnaires beat the Masons, 26 out of 48 games. High score for the Legionnaires was held by Clarence Johnson and Charles Miesel, and for the Masons Harold Jarmis and Holger Peterson. Eight tables were in play during the evening, with plenty of fun and excitement. More are getting interested in this tournament as is shown by the increase in members each week. The next meeting will be at the Masonic Hall Tuesday, February 7.

Mrs. Eva Wingard left Friday for Ypsilanti in company with her son William. There she was joined by her daughter and husband, Mr. and Mrs. William Simpson, and the three left Sunday for St. Petersburg, Fla. A card received from Mrs. Wingard dated Sunday night from Kentucky said they had driven 100 miles that day. Mrs. Wingard expects to be in the sunny clime a month or more.

Mrs. Augustus Funck is supplying as librarian at the City Library while Mrs. Eva Wingard is enjoying a vacation in Florida. Saturday night Gerard-Hershey playing pinocle at the Alfred Hanson home, held a hand in which there were a thousand aces. This is rare.

Mrs. John Wahlstrom entertained the members of the Danish Ladies Aid society at her home on Thursday afternoon. Lunch was enjoyed and the business of the meeting was discussed. "Sleepy Time Gal" that bewitching melody, the composer of which is Ange Lorenzo of West Branch, came over the air last Sunday over a WJR broadcast. It will be of interest to Ange's friends to know that he is leaving soon for Los Angeles, where the West Branch Herald says "the

Gods-of-Hollywood will decide his destiny."

The weather has taken a sudden change, going from 2 above Monday morning to 32 above this morning, (Thursday) at 6 o'clock. We hope that it turns-out as good as last Sunday for the sake of winter sports. Sunday was an ideal day for enthusiasts and a large crowd enjoyed it.

Bill Joseph was greeting friends after alighting from the M. S. C. snow train Sunday. Bill and John Henry Peterson were promoters of the train and were successful in bringing a fine group of college students here for a day of outdoor sports.

Mrs. Claude Cardinal was pleasantly surprised Saturday evening when several relatives and friends dropped in to help her celebrate her birthday anniversary which fell on that day. Games were enjoyed during the evening. A delicious lunch was served, with two birthday cakes decorating the table. Mrs. Cardinal was the recipient of many pretty gifts.

Mr. and Mrs. John Canfield and Mr. and Mrs. Cecil Canfield attended the funeral of Mrs. John Canfield's brother in North Branch, Mich., last week.

Carl Johnson is in Grand Rapids in attendance at the annual Lumberman's convention this week.

Miss Jean Peterson of M. S. C. East Lansing, and Miss Beatrice Peterson of C. S. T. C. Mt. Pleasant, spent the weekend visiting at

the home of their parents, the T. P. Petersons. On their return Sunday they were accompanied as far as Mt. Pleasant by Mr. Peterson.

T. P. Peterson, accompanied by Mrs. Peterson and daughter Virginia, left Tuesday for Grand Rapids to be in attendance at the annual convention of the Michigan Retail Lumber Dealers Association. Mr. Peterson will act as a member of the reception committee.

46 YEARS AGO

February 3, 1916

The home of Mrs. A. Kraus was the scene of a very pretty party Saturday afternoon. There were a large number of ladies present. The afternoon was spent in cards and sewing. Delicious refresh-

ments were served by the hostess. Chris Hanson and two sons made a business trip to Saginaw Thursday.

Dr. Insley reports a successful fifty-mile auto trip to Luzerne Saturday. He says this is the first

time in his experience that such a trip could be made in half a day during the month of January. Miss Elsie Larson and Mr. Middle LaMotte, of this city, were quietly united in marriage last (Continued on Page 6)

Hope For Cancer
(Continued from Page 1)

The test takes only a few minutes, in the physician's office, and the only charge to the patient is \$5.00 for the office visit. The Michigan Department of Health is underwriting the cost of the laboratory work.

To assist in explaining to women what this test is, and how it can help to save their lives, a film, "Time and Two Women," will be shown throughout the two counties during the program.

The story of "The Whispering Rabbit" was told by Sheila Hulbert. We saw our baby Quilt, also each girl brought the name of her favorite song. We will start on our club song books in the near future.

Maple Forest
By Miss Bessie Feldhauser, Mrs. Arthur Howe and Mrs. Carrie Bayhnan

Mrs. Ethel Hummel and Mrs. Helen Fisk attended a Lesson Meeting last Tuesday, so they will pass the lesson on to the club members at the meeting at the home of Mrs. Fisk on Tuesday, January 30th.

Frances Hebel and Kathleen Anderson of Flint spent the weekend with Frances' father Mr. Bert Plagens.

Mr. and Mrs. Ronald Larson and two children, Vicki and Cindy, are spending awhile with her father, Bert Plagens, while their house is being remodeled.

Mr. and Mrs. Walter Sayles and two boys, Ed and Jordan were Saturday visitors at the Dick McKill home.

Carol Ann Williams arrived home on Thursday for the mid-semester vacation from CMU.

Ed Feldhauser, Bessie and Dora visited Mr. and Mrs. Ed Reith and Sherry Lynn on Sunday at Mt. Pleasant.

Mrs. Terry Burns and son of Harbor Springs are spending a couple days with her parents, Mr. and Mrs. Dale Redman.

Lovalles Notes
By Emma Stillwagon

Mr. and Mrs. Verne Hartman spent the weekend in Flint visiting friends and relatives.

The first card party of the season was held at the ladies club room Saturday evening. The prizes were won by Mr. and Mrs. William Koernke, Mrs. Mary Verus and Tom Koernke. Mr. and Mrs. William Koernke will be hosts next Saturday. Everyone is welcome.

We are sorry to report that Mrs. Irene Eggesberger is again a patient at Mercy Hospital in a serious condition.

Miss Margaret Douglas and Jim Douglas made a business trip to Traverse City, Saturday.

See our ad on page 8 for special buys during a store-wide clearance sale. The Pink Lady.

Mr. and Mrs. Bud Caid and family of Houghton, Lake spent the weekend with relatives.

Viking Basketball

(Continued from Page 1)

high for Grayling with Terry Smith and Gary Lusk adding 7 each. John Engel 6, Richard Smith 5, Steve Dawson 4, and Jim Young and Dan Feldhauser 2 each.

Lovassen with 15 was high for Peliston. Again Grayling was called for fouls when the Peliston reserves absorbed only 16 such calls. The little Vikings counted 26 field goals to Peliston's 14 but at the foul line added only 10 of 22 chances while the Peliston reserves hit 16 from 34 chances from the charity lane.

Federic News
By Mrs. Harry Horton

Charles Lodge of Frederic, who is aboard the USS Enterprise, called his folks, the George Lodges, Monday night from Norfolk, Va., to tell them he will be leaving Tuesday for Bermuda where his ship will be taking part in the astronaut flight if it takes place as planned. They will leave for Mayport, Fla., where they will pick up pilots and continue to Cuba, where they will be for the next three months.

Miss Carol Mayer came home January 20th following final exams at Butterworth Hospital School of Nursing, Grand Rapids, and has been visiting her parents, Mr. and Mrs. Arthur Mayer. Her roommate, Ann Gabriel, was here with Carol for the first few days, and will be continuing to visit this weekend. Carol registered at the Hospital Wednesday and brought Miss Gabriel back with her. They both resume their studies next week.

See our ad on page 8 for special buys during our store-wide clearance sale. The Pink Lady.

George Hinkle of Jackson visited his brother Bernard and family over the weekend.

Mrs. Mary Dunkley and Mrs. Mary MacGregor of Vanderbilt planned to leave Friday for a month's vacation in Boynton Beach, Florida. They will drive through.

The Ladies Missionary Guild will meet with Mrs. George Bind-schattel Thursday, February 1st, at 7:30 p.m. Bring birthday gifts for all Korean orphans.

Mr. and Mrs. Robert Mitchell and children of Detroit were here visiting at the home of the Otis Weavers.

John Rowell of Lansing spent from Friday to Sunday at home visiting. He enjoyed skiing at Mt. Frederic.

I want to thank all my friends for cards and gifts on my birthday, January 21st, and again for the party.

THE SUNSHINE CLUB
We met at the town hall, on January 23rd with 21 present. Karen Weaver was the President in charge of this meeting. We sang "The Bus Song", "My Name is Queen Mary", "My Bonnie" and "Do Lord Prayer" by Pat Hubbard. The game of "Sunbeams In and Out the Window" was played next.

The story of "The Whispering Rabbit" was told by Sheila Hulbert. We saw our baby Quilt, also each girl brought the name of her favorite song. We will start on our club song books in the near future.

Fun was served by Bobby Jo Hinkle, Debbie Post, and Renee Weaver.

Bus O' Talk

The Gerald Smock family are living in their new home on West Johnson Drive, past the Fish Hatchery. They have been there since Christmas, but your reporter didn't discover it before.

Mr. and Mrs. George Granger of Boyne City visited Mrs. Ernest Borchers Saturday and Sunday a week ago, also visiting his mother, Mrs. Celia Granger. Mr. and Mrs. Howard Granger of Kalamazoo also called on Mrs. Celia Granger the same Sunday evening.

The William Jenson's son Don writes that Aspen, Colorado, where he and his wife are living, has plenty of snow, and that during the recent cold spell there were temperatures of 40 below zero recorded there.

David Lowe and Ronnie Schofield came home Thursday evening from Mt. Pleasant, to spend the vacation between semesters at the university here with their respective parents.

Miss Cory Stripe arrived home January 24th from Western Michigan University, Kalamazoo, for a ten-day between semester vacation with her parents, Mr. and Mrs. Joseph Stripe.

Mr. and Mrs. Norman Johnston were in Traverse City Sunday the 21st, at a sister's, Mrs. Minnie Hanna's home, to help her celebrate her 93rd birthday. Mrs. Mabel Christenson of Flint, another sister, was unable to be there due to illness.

School Notes

TV sets for the Fourth, Fifth and Sixth grades for this week only have been loaned the school by Grayling Radio and TV, Mosier Refrigeration and Stamply Radio and TV. The designated grades will try out the TV classes before Central Michigan University. They will not join the program this year, but wish to learn if the schoolrooms are adaptable for TV classes. Schools joining the program receive lesson plans before each class and should participate in an orientation class at the beginning of the year.

Clifford Peterson, CPA, spoke to the Bookkeeping class Wednesday. Mrs. Edson's First Grade had their annual room birthday party from 2 to 3:15 Wednesday, with Mrs. Don Sorenson and Mrs. James Hatfield assisting.

The Band sponsors an after-game dance Friday night. Chaparrons are LeRoy Christian, Mrs. Tom Robertson, Mr. and Mrs. Leonard Knibbs and Mr. and Mrs. Robert Funk.

The Ski Team goes to Cadillac for a meet with Cadillac and Manistec Saturday.

Girl Scout News

Jenny Crumbly opened the meeting today with the Girl Scout Promise. During our business meeting, Margie Johnson was elected as troop treasurer. We have decided to hold our Spring Award Program during Girl Scout Week in March. We sang, "When you make a Promise."

Each patrol then met and two of them have chosen a name, they are the bob-whites, and the busy-

bees. We are planning on future activities and deciding which projects to work on first for our second class rank. Mrs. Nellist furnished Patrol leader handbooks and other materials which she got from the Grand Rapids office. All scouts were urged to get the Girl Scout handbook if they have not already done so.

Scribe, Terry Denewett; Mrs. Nellist, Mrs. Johnson, leaders.

Home Extension News

The Penny Pinchers Home Extension group met January 23rd with Mrs. Lyle Johnson as the hostess. There were ten members present. Ladies! Get your appointment with the doctor of your choice for the cancer detection program!

The Penny Pinchers spent the evening working on the macaroni

planters they are making. At the next meeting they will spray the

On February 6th, Mrs. Don Bobenmoyer will be hostess at the home of Mrs. Jack Church. We will make saddle bags to carry shoes in.

Chlorine Gas Forces Grayling

Grayling last Friday night a small taste of what a "fall-out" attack might be like in this country. A cloud of chlorine gas, clearly deadly by a blast at the warehouse of the Grayling-Cheney Company warehouse on the south side of Grayling and some of the south corner north of the river.

Prior planning by the police and fire department for the evacuation of the residents and the city's auxiliary police force and auxiliary police force under Harold Hatfield, Jr., and city fire chief working under Fire Chief Willow Case, have been aware of the situation of warehousing
